Outside Pitches are sized at 3m x 3m with some space for a vehicle (max 3m) behind most pitches. This vehicle space is a "Non-trading" area. As the pitches are adjacent to each other it is important to know if you require any additional space e.g. trailer tow-bars or marquee guy-ropes. We will try to accommodate your needs but there may be additional costs. Please give us as much information as possible.

Marquee Spaces are sized at 3m x 2m. Vehicle access will be allowed to the marquee side for loading and unloading only. No vehicle movement allowed on site between 9:45am and 5:15pm.
