To Help Us Cater for You

As part of the boat gathering we like to provide 'value for money' evening meals for the boaters and Traders staying on site overnight and indeed anyone else who would care to join us. Over the recent years planning this catering has become more and more difficult as numbers have varied widely. This year Pauline and her team are again planning a choice of at least 3 main meals and a vegetarian option on Friday and Saturday. Breakfasts will be available on both Saturday and Sunday.

To help us and the catering volunteers plan, especially on the Friday evening we do try to get an idea on the numbers wanting to have catered meals. Please let us know when you arrive.

Keeping Up To Date
